## PREFACE

The references selected for this bibliography focus on important elements of power in the Asia-Pacific region such as diplomatic, information, military, and economic, as well as general knowledge. For the purposes of this bibliography, the borders reflect the U.S. Pacific Command (PACOM) area of responsibility.

With certain exceptions, the items listed are dated from 2010 to the present. All materials are available through the U.S. Army War College Library. For your convenience, we have added U.S. Army War College Library call numbers, Internet addresses, or database links at the end of each entry. Web sites were accessed January 2013.

This bibliography and others compiled by our research librarians are available online through the Library's home page at <http://www.carlisle.army.mil/library/bibliographies.htm>.
